

Dear Parents,

Welcome back Eagles! If you are new to our school or a seasoned University Hills family, we welcome you. The PTA is excited to be back for the 2021-2022 school year! Whether your child is attending school in person or via the RCS Virtual Campus, you are a part of this community and the PTA is here to support all parents and children in any way we can.

PTA Mission

The overall purpose of the Parent-Teacher Association (PTA) is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. The University Hills PTA is an integral part of your child's learning experience. We work together with the teachers and administration of U Hills to provide social and academic programs, as well as financial support and resources for teachers and the classrooms.

Monthly Meetings

The PTA holds monthly meetings. Watch the U Hills school messenger for upcoming meeting dates!

Why Join PTA?

- *Get connected and stay informed:* Being a part of the PTA is a great way to meet other families, develop friendships and create a support network for you and your family. There is NO better way to know what is happening in our school than being involved in the PTA!
- *It will make your child more successful:* Research shows that one of the best ways to help ensure your child's academic success is to become actively involved in their school.
- *A little goes a long way:* There is a place in U Hills PTA for EVERY parent. Whatever time you can contribute is appreciated and will make a BIG impact on the school. Our PTA committees have opportunities on the evenings and on weekends to accommodate both working and stay-at-home parents. *Don't forget to fill out or volunteer survey so we can help you find the perfect fit!
- *Make your voice heard: Do you have an idea or suggestion? ... we want to hear it! Oh, and ... only members can vote ... so make sure you join*

Questions/Comments – Contact Us!

Do you have questions or comments? Please don't hesitate to ask. If we don't have the answer, we will help you get it!
